

Back to school plan for the children

We cannot wait to welcome you all back to school again! To keep us all safe some things will be different when we get back.

Because there are so many of us we will be starting and finishing at different times. Ask your parents about what time you start and do your very best to be on time every day

Your parents and minders are not allowed to come into the yard or the school this year. They must stay in their car or at the wall and you can wave when you go through the gate, where your teacher will be waiting to say good morning.

To keep you safe, your class will be your bubble. You will sit with some of your friends and you will stick together to keep everyone safe. You can still talk to everyone, but you may not be able to sit beside them. Each class bubble will stick together even in the yard.

You must only come to school if you are feeling well. If you are not feeling well you must stay at home.

We know how much you love your toys, but we want to keep them safe. Please leave all your toys, trading cards, teddies etc at home.

As you all know washing your hands is so important. Please wash them before you eat, if you sneeze or cough and when you come in from the yard. There will also be hand sanitiser for you to use every time you come into your classroom. This is to help us keep our hands extra clean!

All you need to bring to school every day is your lunch and your coat. So make sure you have a fully stocked pencil case at home. Your teacher will be in touch to let you know if you need to bring any extra things on the first day. If you ordered your books they will be waiting for you at school. Otherwise bring them with you on the first day and from then on they will stay in school.
